August	$87.50	$875	$122	$1,220
September	$87.50	$700	$122	$976
October	$87.50	$525	$122	$732
November	$87.50	$350	$122	$488
December	$87.50	$175	$122	$244

NOTE: Mid-year entrants to the plan will receive pro-rated Company funding beginning the month following hire date. To be eligible to receive Company funding, participants must be actively employed on the funding distribution date. Both employee and Acadia funding amounts count toward the annual IRS limit, so it's important that you do not over-contribute from your paycheck as Acadia funding will cease once the IRS maximum limit is reached and will not be restored.
